In re the Matter of: ROMERO, CHRISTIAN RYAN, Person(s) under eighteen (18) years of age.	Case No(s): JV2008065 Date: December 30, 2008 ORDER
---	---

Having reviewed the minor's Amended Motion seeking engagement of a designated therapist for the minor, it does not appear that the court's objections have been addressed in more than a superficial way. Specifically:

1. The Motion seeks reimbursement for a Masters level therapist at a rate greater than that budgeted for Ph.D. degreed contractors.
2. The Motion proposes no hours budget, describes no frequency or duration of sessions and offers no cap on what would thus become potentially unlimited expense.
3. The Motion and proposed Order propose to regulate the conduct and activities of the Juvenile Detention facility.
4. The modification tendered does not fully reflect the provisions of A.R.S. §§ 13-3620, *et seq.*, and thereby continues to imply exemption in one or more respects.

IT IS ORDERED denying the Amended Motion.
